DURABLADE PLANTER BLADES ARE BUILT TO LAST. FIELD-TESTED. FARMER TRUSTED.

PRECISION ENGINEERED | **AGRICULTURE TOUGH** | **LONGER LIFE LESS DOWNTIME**

Durablade Planter Blades (#550-200-1000 & 550-200-1010) have a lifetime warranty on breakage or failure due to a manufacturer's defect for the effective life of the blade as per OEM replacement recommendations.
OEM replacement recommendations are as follows:
John Deere: OEM recommended replacement measurement is 14 inches 355.6 (mm)
Case IH: OEM recommended replacement measurement is 14-1/2 inches 368.3 (mm)
Warranty is void if the blade diameter is less than the OEM recommendation.
